## **Carlyle Lake Master Plan Supplement Available for Review**

Carlyle Lake, Carlyle, Illinois, January 31, 2006— The U.S. Army Corps of Engineers has announced plans to hold a public meeting for review of a draft Master Plan Supplement for Carlyle Lake. The Master Plan is the primary document governing the use, development, management and administration of all natural and man-made resources at Carlyle Lake. The supplement addresses access to the lake and recreation facilities during high water events. A public meeting was held previously to solicit input regarding the supplement and comments have been evaluated and considered for incorporation into the supplement. The meeting to review the draft supplement will be held on Thursday, February 16, 2006 at the Mariner's Village Resort Conference Center in Carlyle. The meeting will begin at 4:30 p.m. with informal discussion, followed by presentation of the supplement at 7:00 p.m., and concluding with an open comment period.

Copies of the draft supplement are available at the Carlyle Lake Project Office or online at the St. Louis District homepage, <http://www.mvs.usace.army.mil/>, under "Related Information". Comments will be accepted through February 24 , 2006 at the Carlyle Lake Project Office, 801 Lake Road, Carlyle, IL 62231. For more information, contact the Carlyle Lake Project Office at (618) 594-2484 or email at [carlylelake@mvs02.usace.army.mil](mailto:carlylelake@mvs02.usace.army.mil).
